

Are you eligible to receive state-supplied vaccine?

Child Eligibility

A child is eligible to receive state-supplied vaccine if he/she meets one of the following criteria:

- enrolled in Medicaid (e.g., Denali KidCare)
- Alaska Native/ American Indian
- does not have health insurance
- is 0 through 35 months of age

If your child has health insurance, your child may receive state-supplied vaccines if he/she meets one of the following criteria:

- health insurance does not cover the vaccine(s) he/she will receive today
- you have not met your deductible or copay for vaccination coverage
- you do not know if your health insurance covers vaccines
- is 0 through 35 months of age

Adult Eligibility

You are eligible to receive state-supplied vaccine if you meet the following criteria:

- do not have health insurance
- health insurance does not cover the vaccine(s) you will receive today
- you have not met your deductible or copay for vaccination coverage
- you do not know if your health insurance covers vaccines

Please discuss with your healthcare provider if you have any questions regarding your eligibility to receive state-supplied vaccine.
